

# Real Appeal<sup>®</sup>

## Provide employees with a plan for lasting weight loss.

Nearly seven out of 10 adults are considered overweight or obese.<sup>1</sup> UnitedHealthcare's Real Appeal is working to reverse this trend, with tools and support to help employees lose weight, feel good and prevent weight-related health conditions.

### How it works

Real Appeal is provided at no additional cost to your employees as part of their benefit plan. It teaches participants how to eat healthy and be active – without turning their lives upside down.

“I started the Real Appeal program about a year ago and the first six months I lost weight, and the next six months I learned that I could maintain that weight. Not only did Real Appeal change my life with my family, losing weight has changed my life professionally. I have confidence that I have some control over my life. It's just amazing!”
